

EARLY YEARS OUTDOOR MUSICAL BAMBOO

CHIMES

PT-SP-0043

Our Early Years Outdoor Musical Bamboo Chimes are designed to produce unique and captivating sounds with use of the natural bamboo. These chimes are an excellent tool for children, encouraging the development of fine motor skills and promoting sensory exploration through music play. As children engage with the chimes, they not only have fun but also learn to create new sounds and melodies, fostering creativity and cognitive development. To maintain the quality of the bamboo, we recommend washing the chimes weekly with a solution of hot lemon sugar water.

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

Bamboo poles have thick walls and minimal taper. Each pole is unique, so variations in pattern and shape are to be expected. Like wood, bamboo expands and contracts, particularly when exposed to outdoor conditions.
