

EARLY YEARS WOODEN OUTDOOR MUSICAL

XYLOPHONE

PT-SP-0044

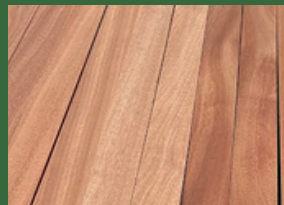

Our Early Years Wooden Outdoor Musical Xylophone is a wonderful tool for kids to explore music, have fun, and learn. This freestanding xylophone lets children discover different sounds, volumes, and pitches while playing. It's a fantastic addition to any play area, providing lots of opportunities for musical exploration and self-expression. Kids will love making music with the xylophone and learning about the different notes they can create.

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

Sapele timber, known for its remarkable strength, durability, and beautiful appearance, is a popular choice in many of our projects. Its naturally smooth surface is pleasant to the touch.
