PT-AP-0050

Are you wanting open ended, active play for your setting? Then look no further. Get ready, set, go with our physical play agility course blocks. Combining problem solving, physical, active, confidence, social and gross motor skills, our blocks are sure to bring hours of endless fun to your children's lives! Featuring 9 blocks with artificial grass, highly durable stokbord and handy handles in each block for an easy set up or transporting them around. Please note, we recommend a minimum fall space of 1.5m around the surrounding area.

This set is inclusive of 9no stepping obstacles!

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

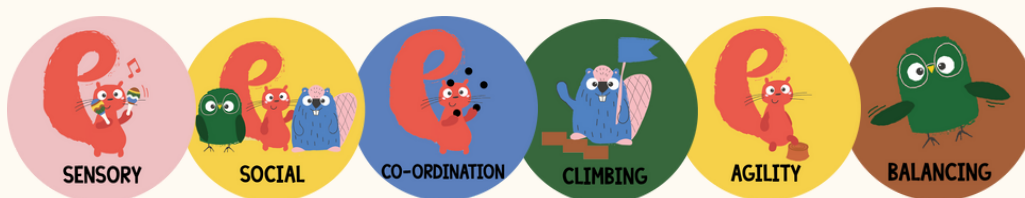

Artificial grass provides a soft and tactile surface, making it more comfortable when climbing. The grass is a fantastic 30mm entry range grass with 'Wave' shaped blades for great 'spring back'.

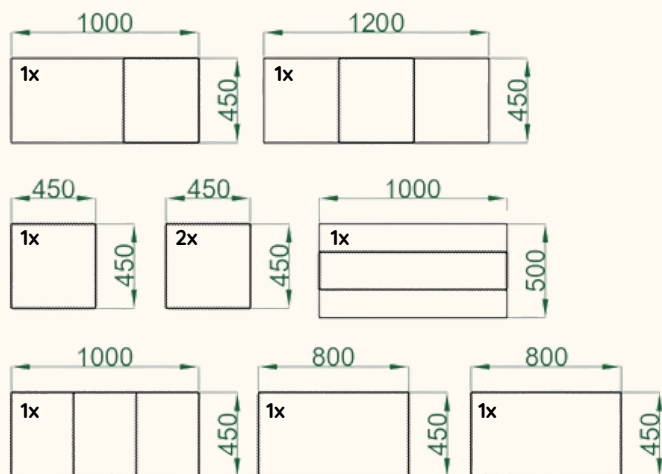

Stokbord Sheet is a robust and versatile board, perfect for applications where a low-maintenance alternative to traditional materials is needed. Crafted from recycled plastic.
