

FOREST PLANTER WITH PERSPEX LID

PT-LGF-0002

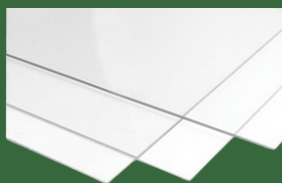

Our Forest Planters are the perfect addition to any outdoor learning environment, designed to inspire curiosity and hands-on exploration of nature. These planters serve as excellent teaching tools, providing a fun and interactive way for children to learn about plants, gardening, and the environment. Equipped with a durable Perspex lid, they offer reliable protection from the elements, ensuring the plants remain safe in adverse weather conditions. The clear lid also allows children to observe the growth and development of plants while keeping them sheltered. These planters are a versatile, educational feature that encourages children to connect with nature while fostering environmental awareness and responsibility.

Nature Play!**

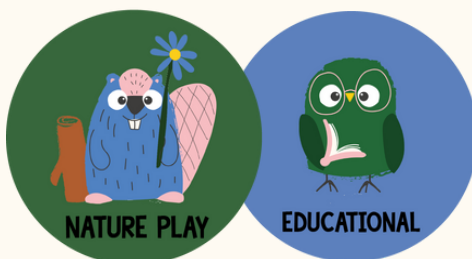

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

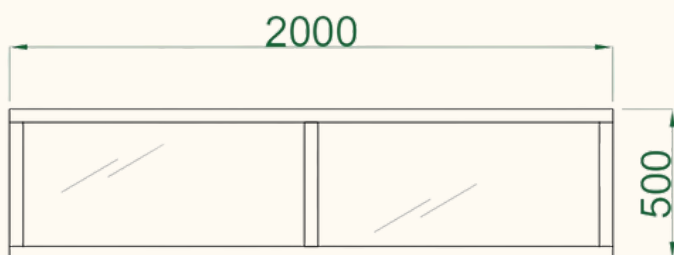

The clear lid is made from Polycarbonate which is a durable, lightweight plastic known for its optical clarity and high impact resistance, making it an ideal choice for applications requiring safety and durability.
