

OUTDOOR PLAYGROUND SANDPIT WITH STORAGE LID

PT-SP-0018

At Precision Timber, we think playing is important for making learning fun and helping kids use their imagination. Our Outdoor Playground Sandpit with Lid is a great choice for a nursery, schools or places where children learn. It's a sandbox made of strong wood that can be used in many ways. Children can play with sand, build things, and play with others. The sandbox is made to be just the right height for kids to stand or kneel while they play.

Encourages
sensory play!

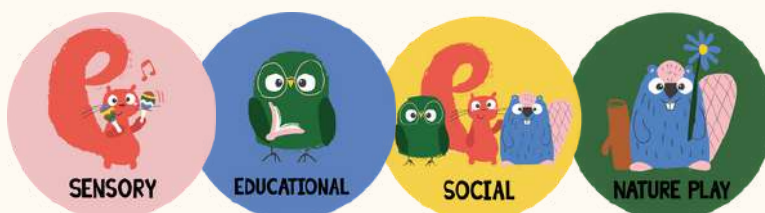

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

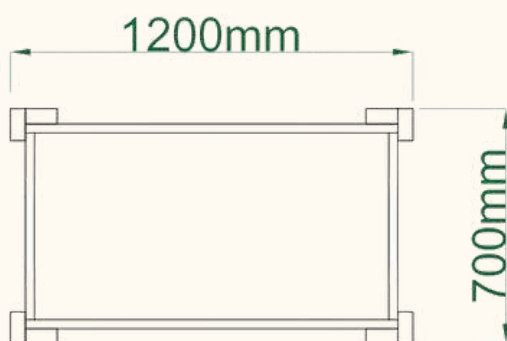

Stokbord sheet is a robust and versatile board, perfect for applications where a low-maintenance alternative to traditional materials is needed. Crafted from recycled plastic.
