

OUTDOOR PLAYGROUND LIBRARY SHED (PERSPEX DOORS)

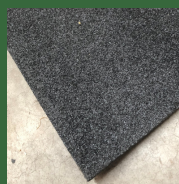

PT-SS-0071

At Precision Timber, we think reading is really important for kids and it makes them happy. Our Outdoor Playground Library mixes playing outside with reading books. It's a cool place where kids can discover new books and enjoy reading in a fun way. This special library helps kids love learning and reading forever. Having an outdoor library in your play area lets kids enjoy their favourite books while being outside in nature and getting fresh air.

Designed to encourage literacy learning!

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

The premium grade polyester roofing felt has a fine asphalt mineral to upper surface, making it perfect for outdoor storage units and shelters. It has a life expectancy of approx. 10-15 years.

Polycarbonate is a durable, lightweight plastic known for its optical clarity and high impact resistance, making it an ideal choice for applications requiring safety and durability.
