

PLAYGROUND WOODEN CORNER MUD KITCHEN

PT-SP-0040

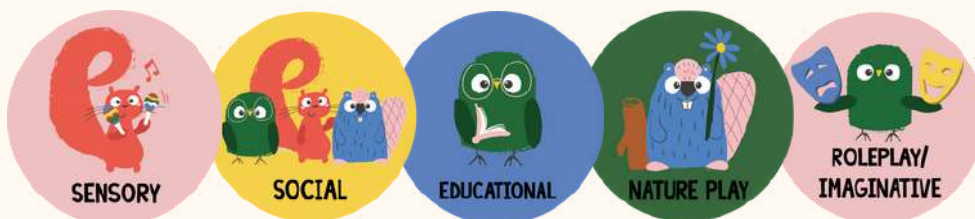

Our Playground Wooden Corner Mud Kitchen is a fantastic play area for kids to explore, create, and have fun. This mud kitchen allows children to pretend they are cooking and baking, using their imagination to make mud pies and other “delicious” dishes. It’s a great addition to any outdoor space, providing endless opportunities for creative play and learning. Kids will love getting their hands dirty and discovering new ways to play in the kitchen.

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.
