

EARLY YEARS ROLEPLAY STALL

PT-IM-0050

Our Early Years Roleplay Stall is an ideal resource designed to inspire open-ended, imaginative play. It offers endless opportunities for children to explore their creativity, take on different roles, and develop important social skills. The stall can easily be adapted to suit a variety of themes, from a builder's merchants to a bustling shop or cozy café, making it perfect for aligning with children's evolving interests. Alternatively, let the children take charge and transform the space into whatever their imaginations can conjure—whether it's a secret hideout, a magical market, or something entirely unique. The possibilities are limitless! Constructed using natural timber, the stall blends seamlessly with its outdoor surroundings.

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

The premium grade polyester roofing felt has a fine asphalt mineral to upper surface, making it perfect for outdoor storage units and shelters. It has a life expectancy of approx. 10-15 years.
