

NET CLIMBER

PT-AP-0053

The net climber is a fun and challenging outdoor obstacle that boosts children's muscle development, balance, and core strength while enhancing their confidence and concentration. The colorful, interconnecting ropes provide a dynamic climbing experience, and the FSC pressure-treated timber framework ensures durability and a smooth finish.

Max
climbing
height:
600mm

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

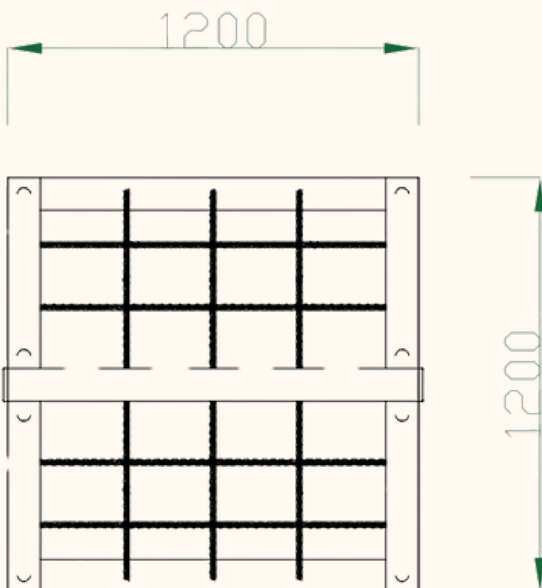

Ropes used are polypropylene covered with a galvanized steel core. The rope is 16mm in thickness, and secured by a tamper-proof plastic connecting point, that's hydraulically pressed into place.

The fixing points are covered with Green tamper-proof plastic capping's. The caps are securely fastened and boast a smooth feel. The caps are approx. 36mm.
