

CONSTRUCTION ROAD SIGNS (SET OF 3)

PT-IM-0012

Our set of three construction signs, expertly crafted from timber with durable HDPE signs, is an ideal addition to any roleplay construction area. These signs not only enhance the authenticity of the play environment but also encourage children to immerse themselves in imaginative construction scenarios. Perfect for sparking creativity and fostering interactive play, they provide a fun and engaging way for children to learn about safety and teamwork while exploring their construction-themed adventures.

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

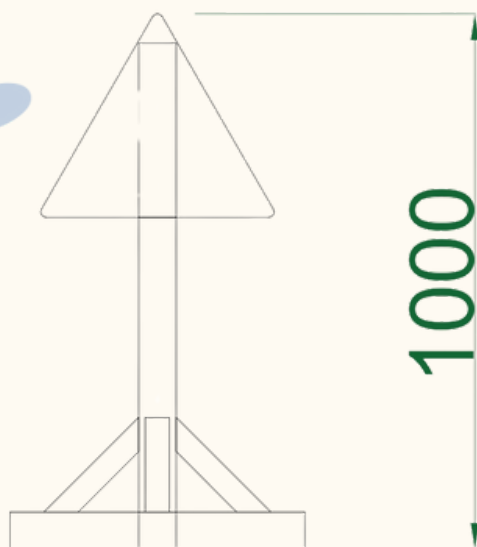

HDPE sheets are thermoplastic materials that are used in many of our products. The versatile properties, including UV stability, make it resistant to fading, moisture, weather, stain and graffiti.
