

OUTDOOR PLAYGROUND BIN

PT-SS-0069

The Outdoor Playground Bin is a creatively designed waste receptacle that not only serves its practical purpose but also enhances the overall aesthetic and thematic elements of a playground! The bin boasts a unique and exciting design, with curved timber cladding, and Green HDPE framework, making it visually appealing and encouraging children to use them.

The perfect
addition to any
playground!

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

HDPE sheets are thermoplastic materials that are used in many of our products. The versatile properties, including UV stability, make it resistant to fading, moisture, weather, stain and graffiti.
