

UNIVERSAL STOOL WITH 'X' LEGS (SINGLE)

PT-SS-0061

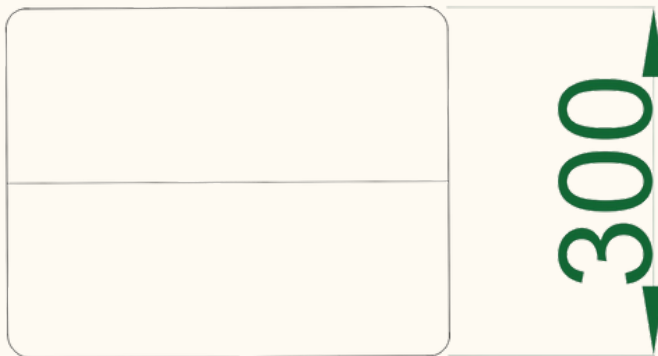

The universal timber stool with 'X' legs is a thoughtfully designed seating option tailored to meet the needs of children, ideally used alongside the mark-making tables! Crafted with durability in mind, this stool is not only sturdy but also lightweight, making it easy to move around and children can position themselves comfortably. The design of the stool emphasizes safety, with smooth edges and a stable base to prevent tipping, ensuring it can withstand the active play and exploration typical of young users.

This product
also comes as a
double stool!

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.
