

PLAYGROUND SANDPIT SLIDING BOX

PT-SP-0013

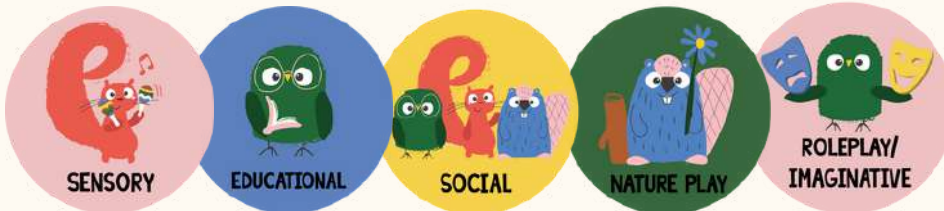

The Playground Sandpit Sliding Box boasts a versatile timber platform that provides ample space for children to dig, build, and immerse themselves in imaginative and sensory play. This thoughtfully designed sandpit not only encourages creativity and exploration but also adds a vibrant and engaging element to any playground, park, or garden. Whether it's constructing castles, creating tunnels, or simply enjoying the tactile experience of playing with sand, this sandpit offers endless possibilities for outdoor fun.

Encourages
sensory play!

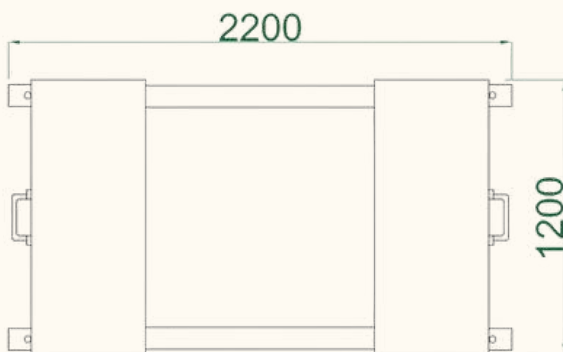

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

HDPE sheets are thermoplastic materials that are used in many of our products. The versatile properties, including UV stability, make it resistant to fading, moisture, weather, stain and graffiti.
