

# LUXURY POTTING STATION

PT-SP-0028

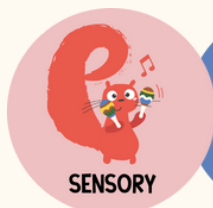

The Luxury Potting Station is an elegantly designed, dedicated workspace ideal for outdoor play areas, crafted specifically for young gardening enthusiasts. It offers a perfect environment for children to engage in potting plants and organizing their gardening tools, fostering a love for nature from an early age. Made from high-quality timber, the station seamlessly integrates with its natural surroundings, creating an aesthetically pleasing addition to any garden. The inclusion of durable stainless steel bowls not only enhances the station's functionality but also provides endless opportunities for imaginative roleplay, allowing children to immerse themselves in the joys of gardening while developing important skills.

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

18mm thick, mesh phenolic birch plywood sheets are used to construct this product (worktop).
