

CHILDREN'S OUTDOOR PLAYGROUND BUDDY BENCH

PT-SS-0029

The Buddy Bench is not just a piece of furniture; it's a symbol of inclusivity, kindness, and friendship, enhancing school playgrounds, parks, and other shared spaces. This thoughtfully designed bench promotes social interaction and emotional well-being by offering a dedicated spot where children can connect, form new friendships, or resolve conflicts in a supportive setting. Built from FSC pressure treated timber, the bench ensures strength, durability, and a smooth to touch finish. The bench also boasts a feature chalkboard panel, sparking children's imaginations and offers a space for creative expression. This playful feature invites children to draw, write messages, or even collaborate on artwork, turning the bench into a dynamic focal point for both fun and communication.

Encourages
Social
Interaction!

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

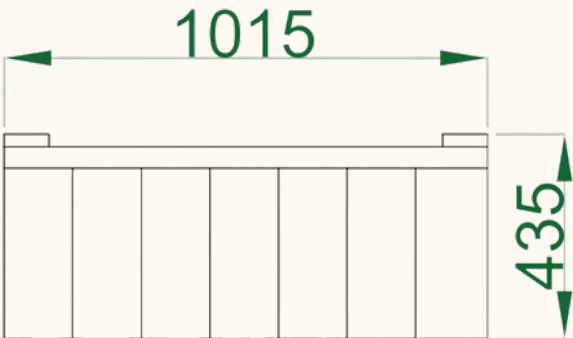

The chalkboard's face is made from Black matt SMA laminate, providing a smooth, writable surface. The backing is constructed from 12mm plywood, chosen for its density and hardness.
