All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

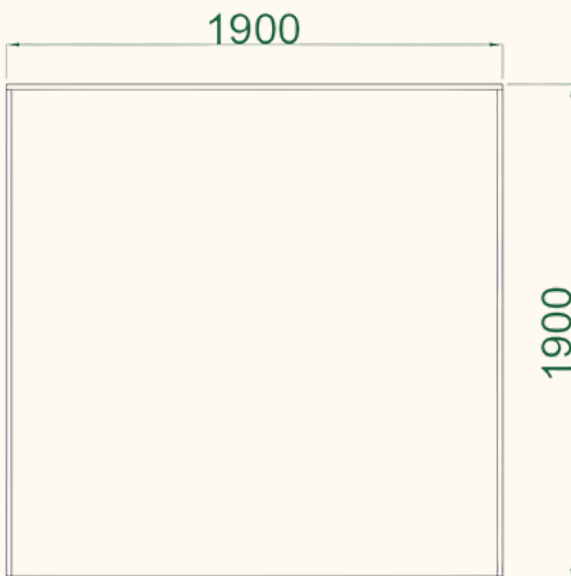

The premium grade polyester roofing felt has a fine asphalt mineral to upper surface, making it perfect for outdoor storage units and shelters. It has a life expectancy of approx. 10-15 years.

The chalkboard's face is made from Black matt SMA laminate, providing a smooth, writable surface. The backing is constructed from 12mm plywood, chosen for its density and hardness.
