

PLAYGROUND DISC DROP OUTDOOR GAME

PT-AP-0174

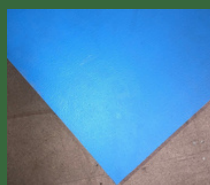

The Playground Disc Drop Outdoor Game is an engaging and oversized version of the classic game, reimagined to provide a dynamic and interactive experience in any outdoor setting. This larger-than-life game is designed to be a centrepiece in playgrounds, parks, and schools, drawing children and even adults into its strategic gameplay and vibrant appeal. Its impressive size makes the game more visually striking and enhances the physical aspect of play, as children need to reach up or move around to drop the large, colourful discs into the slots.

Discs are included with the structure!

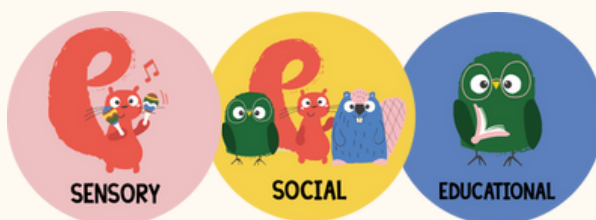

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

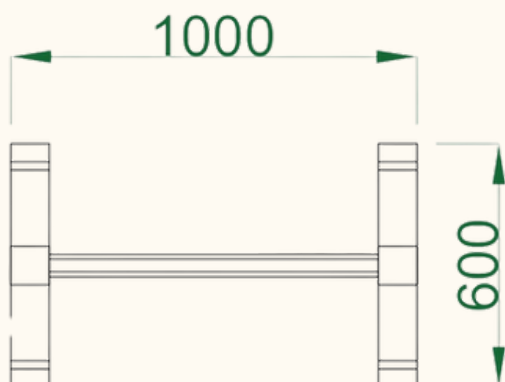

HDPE sheets are thermoplastic materials that are used in many of our products. The versatile properties, including UV stability, make it resistant to fading, moisture, weather, stain and graffiti.
